

Hi motorhomers, 11 vans attended our Havenstreet, Steam railway rally, which was held over the 20th / 22nd of September, this proved a popular event and coincided with an equally popular event at the railway, their cider and cheese weekend. We were entertained by *'The Crew'* singing sea shanties and ballads and a display of birds of prey. The weather was warm and sunny on the Saturday but wet and cooler on the Sunday. Cakes and tea were in abundance, as is usual at Isle of Wight rallies! Steve compered our bingo sessions with his usual panache and Edwin's B-B-Q skill never fail.

Upcoming rallies: On November 2nd – 4th (Friday – Sunday) at Appuldurcombe, www.appuldurcombegardens.co.uk Wroxall, Ventnor PO38 3EP

All rallies start at 12MD - please contact the group rally officer if you would like to attend, details on the website – www.mcciow.com
