

## **Motor Caravanners' Club, Isle of Wight Group 23**

### **ANNUAL GENERAL MEETING No. 32**

**14<sup>th</sup> October 2021**

**Venue – Downside Community Centre, Newport**

#### **MEMBER'S MEETING**

*The meeting was held immediately after the AGM and opened by the Chairman at 19:30.*

A £10 voucher is given to members who introduce a new member which can be used for site fees at Temporary Campsites and for Club Merchandise.

The £5 voucher for use at Temporary Campsites can be used until September 2022. Some members have made use of this this year.

It was asked if the stamps in the rally booklet can be carried over until next year. The Chairman confirmed that they can.

Steve has been storing the club equipment for some years now and the Chairman asked if another member would be able to take this on for a while. If so, please let a member of the committee know.

A discussion took place as to whether to purchase an event tent that has been used at TC's this year. Members who had used it were pleased with the facility to provide some shelter but enable good ventilation (the tent is unable to provide adequate ventilation as recommended under Covid guidelines). The cost is £199. The members voted unanimously to purchase an event shelter.

No other items were raised by members.

The meeting closed at 7.40pm
